

# Need to be at two places at the same time?

Work...School...Dr. Appointment.

**Would you like to do your WIC nutrition education on the internet?**

**can help.**

**It's fast, easy and convenient!**

1. Go to the website  
<http://www.texaswic.org>
2. Click on "English"
3. Click on "WIC Class"
4. Read the screen and decide if you would like to login with your email address.
5. Click on the name of the class you would like to complete and follow the directions.  
You only need to complete 1 class to get credit.
6. After completing the class either print and bring the certificate or bring the following information Class Title, Certificate Number, Date & time completed.

**You will not need to attend the scheduled WIC class because you have already done it online! But keep your scheduled appointment to have your benefits loaded on your EBT card. Contact your WIC clinic if you have questions or need more information.**
